GRIP Leadership Day

Congratulations to our Year 6 leaders who travelled with Miss Davis to Moree last week to participate in the GRIP Leadership day. The reports from the day were inspiring. Being a leader takes courage and deep commitment and we look forward to seeing our leaders flourish as the year progresses.

NAPLAN

This week our Year 3 and Year 5 students and teachers will be very busy undertaking the NAPLAN tests. These tests provide valuable information on how our students are progressing as compared to students of the same age across Australia. We also utilise this information to direct our strategic plans to improve our schools capacity meet the learning needs of our students. We wish all of these students well in completing the tests to the best of their abilities. It is anticipated the results of the tests will be released in October.

Happy Mother's Day

To all of our mums, grandmas and nannas I wish you a happy and relaxed Mother's Day on Sunday. Being a mum is one of the hardest jobs in life and rarely do you get the credit and appreciation that you deserve. Our students would not be as happy and eager to learn without your love and guidance. Thank you.

Congratulations

Ross Hill students and staff were able to acknowledge Damon Murphy's achievements at our whole school assembly on Wednesday when he was presented with a North West PSSA certificate for setting a new swimming record in the Senior boys 50m MC Breaststroke at the Regional carnival in Armidale with a time of 56.23. Congratulations Damon!
