Monday 21st August 2017

Week 6, Term 3

Touch Football

Congratulations to our boys and girls touch football teams who were successful in the first round of the PSSA competition last week. We wish them all the very best for their next competition. The girls' next game will be against Bundarra on Friday.

Rugby League 7's

Best wishes to our Rugby League 7's team who are competing in the finals in Sydney on Wednesday. It has been a great achievement to progress to this level. Thank you to all our families for their support for our players. We look forward to hearing all about their successes when they return.

P&C Father's Day Stall

The Ross Hill P&C will be holding a Father's Day Stall on Monday 28th August in the school hall. All children will have the opportunity to purchase a gift for Dad or Grandpa from the stall. The gifts are all \$6.00 and there is a great range available and children will be able to prepay or purchase on the day. All proceeds will go to the Ross Hill P&C. If you would like to help with the running of the stall, please phone or text your name and times available to 0414 782 983.

There will be a catch-up stall on the morning of Friday 1st September for those children who may have missed out earlier in the week.

Legacy Week

During Legacy Week, Sunday 27th August to Friday 2nd September, Ross Hill will be supporting Legacy by selling Legacy badges, pins, pens and wrist bands in our school office. Prices of items vary from \$1 to \$10.

Families are invited to come along and purchase an item at anytime during the week.

Walk-a-thon-Family Fun Day

Our P&C would appreciate support for our special day on Friday 8th September with donations of saleable goods—cakes, plants, books, toys. Helpers for the day are also needed if you have a spare hour to assist. All monies raised are to assist our children. There will be lots of activities during the day with our Jump Rope "Jump off" also occurring. Hope you can join us.

Congratulations and Good Luck!

On Monday 24th July the Open Boys 7s Rugby League team travelled to Gunnedah to play in the Regional Finals of the NRL Legends of League Shield.

The boys displayed excellent skill and outstanding sportsmanship on the day and finished as Regional Champions.

The boys now travel to Sydney on August 23rd to compete in the State Finals of the competition.

This is an amazing achievement and opportunity for the team and we wish them all the best.

What is bullying?

Bullying has three key features. It:

- Involves a misuse of power in a relationship
- Is ongoing and repeated
- Involves behaviours that can cause harm.

Bullying can also occur online. This is known as cyber bullying, which is using technology such as the internet or mobile devices to bully someone. It can include sending abusive texts and emails, posting hurtful messages and putting inappropriate comments on pictures of others.

Bullying of any kind is not acceptable in NSW schools, whatever the reason. Schools are committed to working with parents, staff and students to prevent bullying and respond quickly and effectively if it does occur.

Asthma

Asthma affects around 1 in 9 school aged children.

How does asthma affect students?

Asthma is a leading cause of absenteeism in school students, which in severe cases can cause them to fall behind in their work. Asthma symptoms commonly occur overnight, which can mean a lack of sleep for the student, leading to a reduced ability to concentrate in class. Students can also show signs of worsening asthma, especially after vigorous exercise, and may have an asthma attack while at school, which requires an immediate response.

Whose responsibility is it?

Responsibility for the management of a student's asthma is shared.

Parents should:

- Inform the school that their child has asthma
 - Provide sufficient information and equipment to school staff to allow them to support the child at school
 - Advise if there has been a change in the child's health, or in their medical management
- Ensure the child has their reliever medication with them each day at school

If your child has asthma and you have not made the school aware please contact our office either by phone or in person so that we can all ensure the best care for your child in the event of an asthma attack.

Make a payment

Make Online Payments

It is possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page will be accessed from the front page of the schools website by selecting [\\$ Make a payment](#)

When you access the [\\$ Make a payment](#) you must enter:

- the students name, and class and reference number OR
- the students name, and date of birth

These details are entered each time you make a payment as student information is not held within the payment system.

You have the ability to check and change any details

of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration
