Keeping in Touch

Keeping In Touch

With a busy term almost behind us and Term 4 just ahead, this is a good time to make sure that contact details are up to date through our school office and that you have let us know your preference for receiving our newsletter. Parents are able to receive the newsletter through the school website, Skoolbag, via email or by printed copy. Our newsletter is the best way to keep abreast of

what's happening at school.

Skoolbag is available for free download from the App store or from Google play. It allows you to receive instant messages and reminders from school, and also to send in absence notifications without having to ring up. Skoolbag is a great way to keep informed. Our school website is another option. Photo galleries and additional information is often available. Our P&C also has a section for you to browse. We look forward to having you visit our site and hope you find it helpful.

School Uniform/North West Clothing

Ross Hill Public and its school community, supports the wearing of school uniforms by students and the upholding of high standards of dress by students and staff. A school uniform identifies children at

school, promotes student allegiance and it also acts as a means towards providing equality amongst children, regardless of socio-economic background.

Parents are advised that North West purchased clothing, such as that purchased at regional trials, is not part of our school uniform and that students are requested not to wear items to school.

Learning Dispositions

Students have been learning about the influence of their own mindset upon their learning and achievement. This fortnight we are focusing on Optimism and Persistence. Optimism means having hopefulness for the future and looking on the bright side of things. It means knowing that a positive attitude is a spark that can create extraordinary results.

School Banking Helpers

School banking is a wonderful way for your children to start to learn to save. Banking is held at school on Tuesdays and we are in need of volunteers to assist in this wonderful initiative. If you are able to lend a hand, please contact the school office on 6722 2475.

Apologies to all those parents who have had trouble with Munch Monitor the past two Fridays. This has been due to a fault in Sydney with Munch Monitor itself and out of the canteen's control.

Good for Kids good for life

WHY DO CANTEENS NEED TO BE HEALTHY?

As well as being important for health, healthy eating can improve concentration and behaviour which can help students to learn in the classroom.

Encourage your child to choose delicious and nutritious EVERYDAY foods and drinks such as:

- Sandwiches, wraps and rolls with lean meat, cheese and vegetables or spreads.
- Pastas such as lasagne, spaghetti bolognese and macaroni & cheese.
- Canteen made pizzas.
- Beef hamburgers.
- Sushi or rice paper rolls.
- Snacks such as fruit, yoghurt, pikelets, vegetables with dip or 99% fruit juice ice blocks.
- Drinks such as water, plain or flavoured milk and 99% fruit juice.

P&C meeting

Out next meeting is this Wednesday 12th September at 7pm in the Learning Centre. Come along and hear about what is happening at school. All welcome.

P&C Facebook Page

Don't forget to check out our P&C page and follow it to get news and updates.

Lost clothing

As the weather warms up, children have been taking off their jumpers and misplacing them. To help us make sure your child's clothing is returned to them, all items need to be clearly labeled with the child's name.

There are also some lost drink bottles at the office if anyone is missing one.
