Students Medication At School

Parents with students at school that require daily medication, please be advised that as of the start of Term 1 2023 all medication is required to be in a webster pack with the childs name, medication name and the correct dosage. This is a mandatory policy in the Department of Education that needs to be followed.

If a webster pack is not available then parents will be required to come to the school and administer the medication themselves.

If your childs medication changes then we will also need a new webster pack.

Sip & Crunch

Please remember to pack a piece of fresh fruit everyday for your child to have at the Sip & Crunch break.

Library News

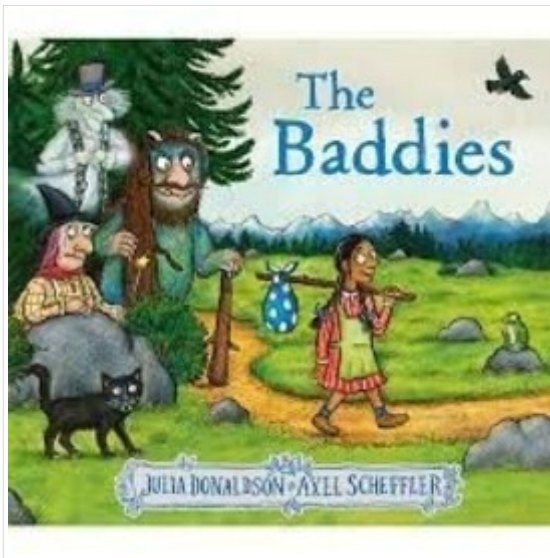

As the year comes to an end, our library borrowing has now closed for students. It is also time to search high and low for your overdue library books.

We have some wonderful things happening in library with a Raffle for returns and a colouring-in competition leading into the Christmas break.

Thankyou to our wonderful Year 6 library monitors who have dedicated their time to helping our library run smoothly in 2022.

Book Of The Week

The Baddies

Author: Julia Donaldson

The brand-new picture book from superstar author and illustrator Julia Donaldson and Axel Scheffler is a riot of slapstick fun and silliness. The Baddies are the meanest, nastiest ghost, witch and troll in the land. They just adore being bad and fight over who is the worst. When a little girl moves into a nearby cottage, the Baddies can't wait to scare her out of her wits. But the little girl quickly shows them that you don't have to be big to be brave, and baddies don't always win.
