Term 4 Week 6 2022

Parliament and Civics Education Rebate (PACER)

The Year 6 students from our school have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$25.00 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

KEEP THE LUNCHBOX COOL

As the weather warms up it is important to keep the lunchbox cool so that food stays safe to eat.

Using an insulated lunchbox with an ice brick can keep the lunchbox 12° cooler.

You could also try a frozen:

- Water bottle
- Milk popper
- Yoghurt

These double as a refreshing drink or cool snack as they defrost.
